Got IDMS?

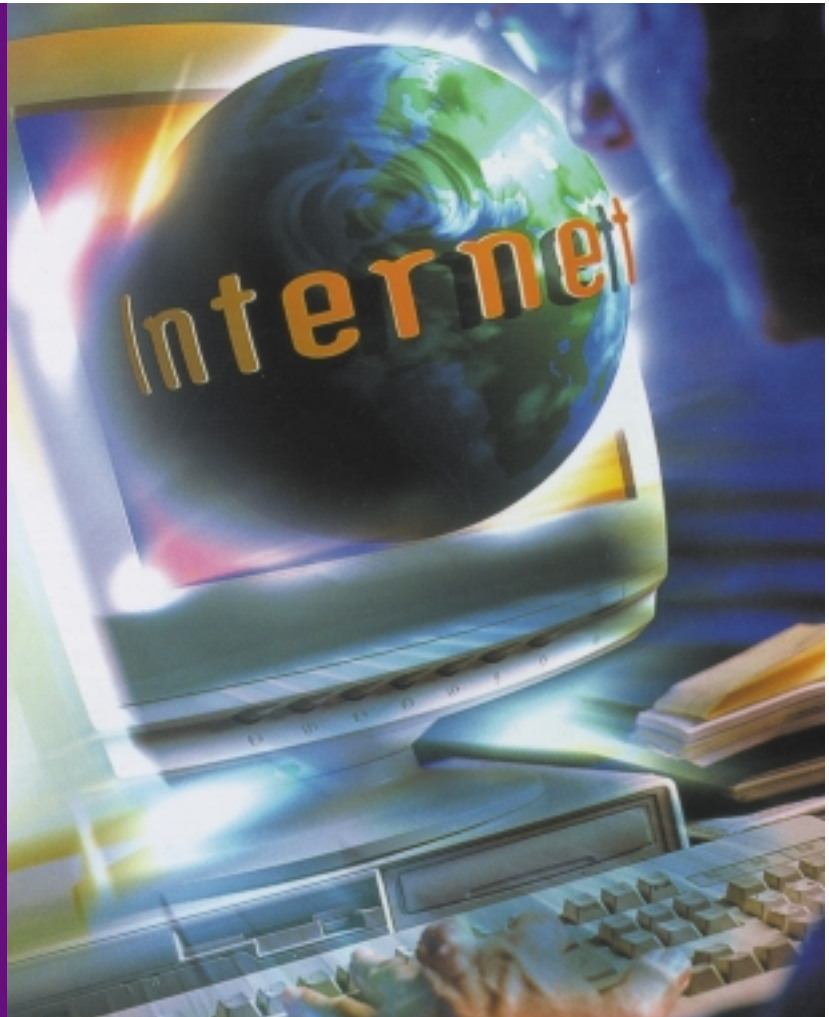

**Need to
Web-Enable your
IDMS Applications?**

**Contact
Vegasoft
Today!**

Vegasoft +358 (09) 349 2468

**Vegasoft
offers
VG-IDMS/Web.
The
simplest
way
to
web-enable
your
IDMS
applications.**

Special Features

- Convert your maps to HTML forms automatically
- Web-enable your existing ADS/O applications with minimal changes to your application code (no screen scraping)
- Design new HTML forms utilizing tools like Microsoft Front Page and use simple functions to read/send the forms from ADS/O and DC-COBOL
- XML support
